Just a few formalities:

If you have a specific allergy please let a member of staff know and they will discuss it with the chefs.

(v) is for vegetarian but not always for vegan so if you are a vegan please let us know and we will tell you what adaptations can be made to the menu. Similarly we are able to adapt a lot of our dishes to make them gluten free. Please just ask.

All our food is prepared in the same kitchen as products that contain nuts and gluten so the food may contain trace elements of them.

We cook all dishes from fresh so if there is a small wait it is for that reason and not because someone is changing the fuse in the microwave. Good things come to those who wait as they say.
